Spring Garden Residents and Property Owners,

Subject: Spring Garden Recreation Commission Appointees

Spring Garden Township is re-establishing its Recreation Department and is seeking residents and property owners to serve as members of a Spring Garden Recreation Commission. The Recreation Commission will be an advisory board to the Board of Commissioners and will focus on equipping, operating, and maintaining township parks, recreation areas, facilities, and conducting recreation programs. They will work closely with the Recreation Program Coordinator and the Board of Commissioners Recreation Liaison.

The Recreation Commission will be a five (5) member advisory board consisting of one member from each of the five (5) wards. They will meet monthly and serve five-year terms. Initial terms will be staggered to ensure that the terms of no more than two (2) members will expire in the same year. This is an unpaid community service opportunity.

Interested parties should submit a letter of interest, a brief bio, and why they want to serve as a recreation commission member. Submissions can be sent to the Township by email at general@sgtwp.org by Monday, January 27th. Following the review of the submissions, the Board of Commissioners will appoint recreation commission members at a future Board of Commissioners Business Meeting.

Thank you for your interest,

Luther C Wike Jr
Township Manager
